

Rule Change Proposal for SDHSRA

1. Convert one practice rodeo weekend, in each region, to a qualifying regional rodeo.
2. Do not change the points structure at all. The contestant can still only carry their points from their 3 best rodeos to state, with a maximum of 30 points.
3. Amend Article VII Regional Rules, Section B, to add "Third Weekend" also to add "5, 6 or any combination of 6 rodeos.

It is very safe to say that every contestant goes to at least one practice rodeo, so therefore this would not put a financial burden on them. Our whole qualifying season is 15 days. Only 13 for the cutters and reined cow horse contestants. This puts a huge amount of pressure on these kids to be perfect in a very short amount of time.

Thank you.
