WRANGLER ALL STAR TEAM AGREEMENT

Congratulations on being nominated for the 2009-2010 Wrangler All Star Team!

The National High School Rodeo Association realizes how important the Wrangler All Star Team is to its members, and as a result is requesting that *Wrangler All Star Team shirts be worn as a uniform with Wrangler jeans only*. **What this means is that if you choose to wear the Wrangler All Star Team shirt, you must wear it with Wrangler jeans**.

One of the stipulations of being on the Wrangler All Star Team is that the member be in good standing in your State/Province Association and the National High School Rodeo Association and that your dues are paid by September 15, 2009. **The other stipulation is that if the Wrangler All Star shirt is worn at any event, whether the event is NHSRA sanctioned or not, it will *only* be worn with Wrangler jeans.** The National High School Rodeo Association does not dictate what apparel a member wears when competing. This requirement only applies to this program, under these conditions. Again, Wrangler All Star shirts are to be worn with Wrangler jeans ***only***. Please give me a call if you have any questions. My phone number is (800) 466-4772 ext 216.

Please check one of the boxes below and complete the additional information as necessary. This agreement needs to be returned to your state secretary even if you elect to not become a part of this team. Please return your agreement to your state/provincial secretary using the return information they have provided!!! These do NOT get returned to the National Office this year!! Agreements MUST be received by your state/provincial secretary by OCTOBER 15, 2009!!!!

☐ **As a nominated member of the Wrangler All Star Team, I agree to wear my Wrangler All Star Team Shirt with Wrangler jeans only as clearly stated above.**
