

2009-2010 WRANGLER ALL-STAR TEAM SELECTION PROCESS

The Wrangler All-Star Team for 2009-2010 for South Dakota has been chosen and the letters were sent out August 25, 2009. The reason that we cannot announce the Wrangler All-Star Team is that the members who received a letter must submit their 2010 membership application and accept the Wrangler All-Star Team Agreement by September 15, 2009. Once each member gets their membership in to the State Secretary and their Wrangler Team agreement in to the National Office, then the entire Wrangler All-Star Team will be announced.

Selection of the South Dakota Team was based on points won after the **REGION** Rodeos were completed. Your State Points do not count towards the Wrangler Team. Selection is then based on the events with the fewest numbers based on the National Office data.

The order in which the members were selected by event is as follows:

Queen	Boys Cutting
Girls Cutting	Bareback Riding
Goat Tying	Saddle Bronc
Breakaway	Steer Wrestling
Pole Bending	Bull Riding
Barrel Racing	Calf Roping
Team Roping	

For example, if a member has 30 points in Barrel Racing but is the top in their region in cutting with 22 points, then that member is selected in the cutting and cannot be selected in the Barrel Racing. Also if there is a tie in the points, then both people are selected for the Wrangler All Star Team. For example in the Team Roping, if the top team had one member who graduated the other person would be selected but then to select one more person, it may be a team of 2 selected because of their points, so you would have 3 selected in the Team Roping. If you have any questions, please call the State Secretary or the National Office at 1-800-466-4772, attn Bridgette Bragg. The Wrangler Team does *not* affect the selection of the Wrangler 20X Team for the Regional Showcase Rodeo during the Stock Show. That team is based on points after State Finals and consists of three members in each event from each region.
