Dear Calendar Contact Person:

I am excited to work with you as the new SDHSRA Calendar Coordinator. Without your help, it would be difficult to get all the calendars to the SDHSRA members. I want to thank you for putting your time in for this great association and fundraiser.

Enclosed with this letter are the check-in sheets to give to each one of your members and the Calendar policy statement. It is very important to keep track of how many calendars you are handing out to each member. Each member is responsible in selling five calendars by March 1, 2011 and must hand in any calendars that he or she did not sell. Without doing this they will not be able to rodeo. Encourage your members to sell and turn their money in as soon as possible, so the people they sell to get their names in, the monthly drawings. It is very important to keep track of how many calendars you are handing out to each member. If a member is planning on selling more than 5 calendars, please only give them 10 at a time and make sure they have sent their money in or give it to you to send in, before you give them anymore calendars; check with me if you need to see if I have received the money. By doing so we hope this will alleviate the problem with members holding on to calendars and not selling or turning them in until the deadline date.

I have already talked to some of you last week or left a message on your phone, if you have not got back to me or I haven't heard from you, please phone or email me on how many calendars or cases you will need, there are 100 calendars in a case. I will have them ready for you to pick up on September 25, 2010 at the annual meeting; if for any reason you are unable to pick them up, make arrangements with me or someone else so I can get them out to you ASAP. I will also need the following information to put on our website, telephone, address, and email address if you have not already done so.

I want to thank you very much for your help in distributing the South Dakota High School Rodeo Calendars. These calendar sales have helped send our National Team to Nationals, fund scholarships and prizes for our SDHSRA members and help promote South Dakota High School Rodeo. These calendars also become part of the archives for High School Rodeo as they are a great record of the previous year.

If you need additional calendars or have any questions, please contact me at work 605-279-2688, home 433-5483, cell 454-5507 or by email curr@gwtc.net.

Sincerely,

Donna Curr, SDHSRA Calendar Coordinator
